ii. Executive Summary of the Annual PHA Plan

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

Executive Summary

In accordance with Section 511 of the Quality Housing and Work Responsibility Act of 1998, the St. Charles Housing Authority is pleased to submit the Agency Plan.

The Agency Plan is presented in two sections:

Section 1: Five Year Plan

This section includes the PHA's Mission Statement, goals and objectives. The housing authority will consider the Mission Statement, goals and objectives of HUD when developing the Five Year Plan.

Section 2: Annual Plan

This section includes the components required to be submitted by a Small housing authority (less than 250 public housing units).

Please refer to the Table of Contents for the components included. Any required components that are not included in this submission are so indicated in the Table of Contents along with the location of the applicable materials and the date submitted to HUD, if required.

In this first year of required submission, the housing authority has elected to continue to operate its programs in an efficient, cost effective manner and to

explore the options authorized by the QHWRA, e.g., mortgaging of public housing properties. These options will be explored primarily as methods to increase the supply of affordable housing needs of low-income and very low-income families who reside in the PHA's jurisdiction. Included in the analysis are housing needs of extremely low-income families, elderly families and families with disabilities, and households of various races and ethnic groups residing in the jurisdiction. Subsequent submissions will include the housing authority's plans to pursue these efforts.

The Five Year and Annual Plans were available for review by the public on October 1, 1999 as noted in the public notice published September 29, 1999. An attendance sheet for the public hearing as well as minutes, including resident/public comments are available for review in the housing authority's file on the Annual Plan. All comments received have been considered and addressed by the housing authority and the Board of Commissioners approved the Five Year and Annual Plans for submission to HUD on November 18, 1999.

Questions or approval notification should be addressed to the Executive Director, Pat Nissen of the housing authority.
Respectfully submitted,

Pat Nissen
Executive Director

ACOP - ADDENDUM "A"

Quality Housing and Work Responsibility Act of 1998

4. Deconcentration and Income Targeting

Per CFR/Vol. 64, No.32, Section 513,

The HA has two (2) projects on one (1) site where deconcentration is not feasible. The HA completed a third development of 12 scattered sites in April of 1998, deconcentrating with transfers and new families.

The income mix will be addressed by Resolution #356 which will establish a preference for applicants who are working or are in a work related program. This preference will be equally weighted with the other preferences.

Income targeting will be addressed with the fungibility provision which allows the tenant based assistance for Section 8 Vouchers and the PHA to be interchangeable and meet the 40% admission of families with income below 30% of the median income as long as 75% of newly available vouchers and certificates go to very poor families.

The administration of the income targeting shall be facilitated on the same annual basis as the fiscal year of the HA. The current fiscal year will be pro rated from April 1, 1999 through December 31, 1999.

Occupancy by Police Officers and Over-Income Families

Per CFR/Vol.64, No.32, Section 524

Pending HUD authorization, for security reasons, Police Officers will be allowed to reside in the PHA. Their rent will be established by the Board of Commissioners at the time of admission.

Over-income families will also be allowed to reside in the PHA, providing that they vacate the unit (upon thirty days notice), if a unit is needed for an income eligible family. ◦ **FY**

C. Strategy for Addressing Needs

Provide a brief description of the PHA's strategy for addressing the housing needs of families in the jurisdiction and on the waiting list IN THE UPCOMING YEAR, and the Agency's reasons for choosing this strategy.

STATEMENT OF HOUSING NEEDS

JURISDICTION

The PHA has analyzed the housing needs of low-income and very low-income families who reside in the PHA's jurisdiction. Included in the analysis are housing needs of extremely low-income families, elderly families and families with disabilities, and households of various races and ethnic groups residing in the jurisdiction.

The housing needs of each of these groups have been identified separately. The identification of housing needs took into account issues of afford ability, supply, quality, accessibility, size of units and location.

The St. Charles Library and the City of St. Charles Consolidated Plan of December 29, 1998 provided data for attachment to "A".

WAITING LIST

The PHA has analyzed the housing needs of low-income and very low-income families on the PHA's public housing and Section 8 waiting lists. Included in the analysis are housing needs of extremely low-income families, elderly families and families with disabilities, and households of various races and ethnic groups on the PHA's waiting lists.

The housing needs of each of these groups have been identified separately. The identification of housing needs took into account issues of afford ability, supply, quality, accessibility, size of units and location.

The PHA's public housing and Section 8 waiting lists are computerized. Tables of waiting list analysis are attached.

NEEDS ASSESSMENT

Through analysis of the PHA's jurisdiction and waiting lists, the PHA believes that working poor families are least well-served in the PHA's jurisdiction. As required, the information provided includes:

Households with incomes below 30% of area median (extremely low income)

Elderly households and households with disabilities

Identification of household race and ethnicity

BARRIERS TO AFFORDABLE HOUSING

There are barriers in the PHA's jurisdiction which impact the PHA's ability to provide affordable housing to this needy population of working poor families who face the following barriers to obtaining affordable housing:

Affordability

Supply of housing resources

Quality of available housing

Size of housing units available

STRATEGIES TO ADDRESS NEEDS

The PHA intends, to the maximum extent practicable, to address the community housing needs described above. The PHA efforts over the next year will center on addressing **the barriers**.

Other strategies to be considered include:

Respond to HUD Notices of Funding Availability for additional funds

Develop partnerships with public and/or private partnerships, such as real estate developers and capital housing markets.

Provide home ownership opportunities.

Develop partnerships with nonprofit homeless shelters, transitional housing providers, and affordable housing providers.

(If selected, skip to sub-component (2))

2. ☒ Yes ☐ No: Has the PHA adopted any discretionary minimum rent hardship exemption policies?

3. If yes to question 2, list these policies below:

· MINIMUM RENT

The PHA's minimum rent policies are designed to relieve public housing residents of financial hardship when changes occur in family income, which would otherwise have a negative impact on the family.

The minimum rent for the PHA is \$50.00.

The minimum rent refers to a minimum total tenant payment and not a minimum tenant rent.

PHA Procedures for Notification to Families of Minimum Rent Hardship Exception

The PHA has notified all participant families of their right to request a minimum rent hardship exception under the law.

The PHA will notify all families at time of lease up and at annual re certification of their right to request a minimum rent hardship exception.

The PHA notification will advise the family that hardship exception determinations are subject to PHA grievance procedures.

The PHA will review all tenant requests for exception from the minimum rent due to financial hardships.

All requests for minimum rent exception are required to be in writing.

Requests for minimum rent exception must state the family circumstances that qualify the family for an exception.

PHA Procedures for Hardship Exceptions

The PHA will immediately grant the minimum rent exception to all families who request it.

The minimum rent will be suspended until the PHA determines whether the hardship is:

Covered by statute

Temporary or long term

HUD Criteria for Hardship Exception

In order for a family to qualify for a hardship exception, the family's circumstances must fall into one of the following criteria:

The family has lost eligibility or is awaiting an eligibility determination for Federal, State or local assistance; including a family that includes a member who is an alien lawfully admitted for permanent residences under the Immigration and Nationality Act who would be entitled to public benefits but for title IV of the Personal Responsibility and Work Opportunity Reconciliation Act of 1996;

The family would be evicted as a result of the imposition of the minimum rent;

The income of the family has decreased because of changed circumstance, including loss of employment;

A death in the family has occurred; and

Other situations as may be determined by HUD or the PHA.

If the PHA determines that the minimum rent is not covered by statute, the PHA will impose a minimum rent including payment for minimum rent from the time of the suspension.

The PHA will use its standard verification procedures to verify circumstances which have resulted in financial hardship, such as loss of employment, death in the family, etc.

Temporary Hardship

If the PHA determines that the hardship is temporary, a minimum rent will be imposed, including back payment from time of suspension, but the family will not be evicted for nonpayment of rent during the 90 day period commencing on the date of the family's request for exemption.

Repayment Agreements for Temporary Hardship

The PHA will offer a reasonable repayment agreement to the family for any such rent not paid during the temporary hardship period.

If the family owes the PHA money for rent arrears incurred during the minimum rent period, the PHA will calculate the total amount owed.

Repayment agreements will not exceed six months, except that minimum monthly repayment amount will not be less than \$25 or more than \$40.

If the family goes into default on the repayment agreement for back rent incurred during a minimum rent period, the PHA will reevaluate the family's ability to pay the increased rent amount and:

Determine whether the family has the means to meet the obligation and if so determined, initiate eviction proceedings for nonpayment of rent; or

Repayment agreements will not exceed six months, except that minimum monthly repayment amount will not be less than \$25 or more than \$40.

If the family goes into default on the repayment agreement for back rent incurred during a minimum rent period, the PHA will reevaluate the family's ability to pay the increased rent amount and:

Determine whether the family has the means to meet the obligation and if so determined, initiate eviction proceedings for nonpayment of rent; or

Repayment agreements will not exceed six months, except that minimum monthly repayment amount will not be less than \$25 or more than \$40.

If the family goes into default on the repayment agreement for back rent incurred during a minimum rent period, the PHA will reevaluate the family's ability to pay the increased rent amount and:

Determine whether the family has the means to meet the obligation and if so determined, initiate eviction proceedings for nonpayment of rent; or

Repayment agreements will not exceed six months, except that minimum monthly repayment amount will not be less than \$25 or more than \$40.

If the family goes into default on the repayment agreement for back rent incurred during a minimum rent period, the PHA will reevaluate the family's ability to pay the increased rent amount and:

Determine whether the family has the means to meet the obligation and if so determined, initiate eviction proceedings for nonpayment of rent; or

Determine that the repayment agreement is a financial hardship to the family and if so, restructure the existing repayment agreement.

If the family is owed a retroactive payment, the PHA will Provide a rent credit towards their rent.
